Re: **SEC v. Pierre, 19 Civ. 10299 (JPC)**

Dear Judge Cronan:

The SEC respectfully requests that the briefing schedule for the SEC's motion for summary judgment be extended by 45 days in order to allow the Commission the opportunity to consider whether or not any additional monetary relief should be sought against Defendant Rules Pierre ("Pierre") given his sentence in the parallel criminal action (19-cr-783)(SDNY)(SAS)), which includes a restitution order requiring Pierre to pay \$2,030,337.32 a forfeiture order requiring Pierre to pay \$3,701,893,81, and a criminal sentence of 84 months of incarceration followed by three years of supervised release.

Should the Court grant the SEC's request, the new briefing schedule would be as follows:

SEC files its motion for summary judgment: August 29  
Pierre files his opposition to the motion: November 28  
SEC files its reply brief: December 15

This is the SEC's first request for an extension of the briefing schedule for the motion. We thank the Court for its consideration of this briefing schedule. We are available at the Court's convenience should the Court have any questions.

Respectfully submitted,
